- **Security:** Verified for secure transactions.
- **Manual Withdrawals:** Option for manual processing.

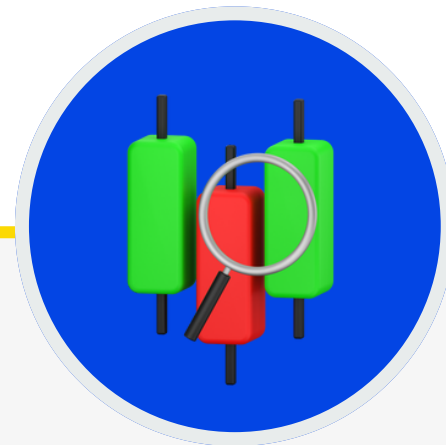

MULTIPLE INVESTMENTS

- **Flexibility:** Cater to diverse trading needs with multiple investment options.

MASTER ACCOUNT TRADING VIA MT5 API

TRADE EXECUTION

Centralized Trading:

All trades are executed in a master account using the **MT5 API**.

Developer Access:

The developer receives a single **MT5 Master ID** to manage trades.

TRADE PLACEMENT & INVESTMENT ALLOCATION

Trade Duplication:

Trades made in the master account are proportionally duplicated across user accounts based on their individual investment sizes.

Fair Allocation:

Ensures fair distribution of trades and returns according to each user's contribution.

ROI MANAGEMENT AND WITHDRAWAL

CLOSED TRADES ROI WITHDRAWAL

- **User Access:** Users can withdraw ROI from closed trades through the crypto API.
- **Developer Access:** Developers access closed trade data via the MT5 API for accurate ROI duplication across user accounts.

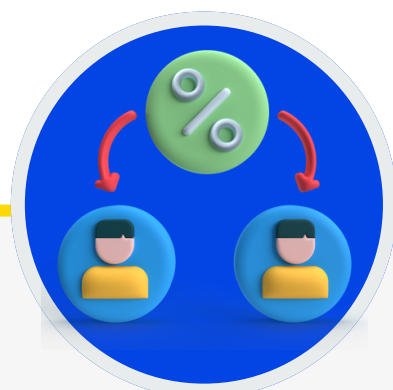

SIGN-UP BONUS POLICY

NON-WITHDRAWABLE BONUS

- **Bonus on Registration:** New users receive a **5 USDT** sign-up bonus that can only be invested, not withdrawn.
- **Investment Requirement:** Users can add a minimum of **5 USDT** to the **sign-up bonus** and invest it to earn daily ROI on trades.

REFERRAL PROGRAM AND COMMISSION STRUCTURE

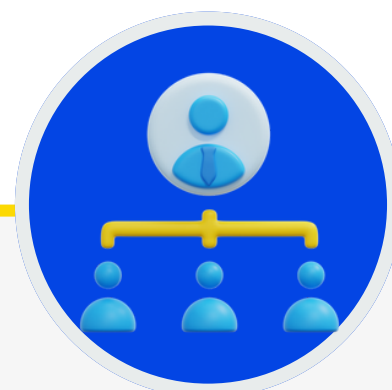

COMMISSION ALLOCATION

25% Commission:

Referrers earn 25% commission on profits made by referred users.

Customizable Distribution:

Referrers can retain a portion of the commission and distribute the rest to their downline users.

MULTI-LEVEL REFERRAL EARNINGS

Earnings Distribution:

Commissions are distributed to both referrers and their downline users.

Active Investment Requirement:

Users must maintain an active investment of at least \$10 to qualify for referral commissions.

UNIQUE REFERRAL LINKS

Personalized Links:

Each user gets a unique referral link to invite others.

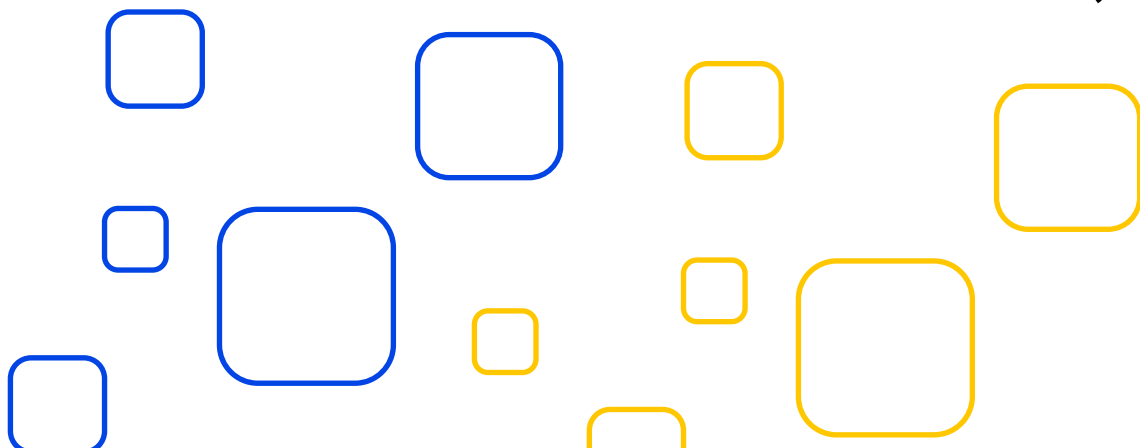

Direct Association:

Registrations through the referral link are directly associated with the referrer.

WITHDRAWAL ADJUSTMENT

CLOSED TRADES ROI WITHDRAWAL

- **ROI Deduction:** At the time of prematurity withdrawal, any ROI given to the user will be deducted from their principal investment.
- **Example:** If a user invests \$10,000 and earns \$5,000 as ROI, during prematurity withdrawal \$2,500 will be deducted from the principal, and the user will receive \$7,500.

TRADING AND INVESTMENT OPTIONS

- **Investment Range:** From \$10 to unlimited.
- **Referral Income:** Earn up to

25%

commission on referrals.
